Why Exhibit

The WorkAbility Expo program was born when the Federal Government provided funding for a series of disability employment expos across Australia as part of a package of support for new initiatives to drive better employment outcomes for people with disability, including those with high needs.

WorkAbility expos will have exhibition space for government organisations, advocacy, support services, training and other organisations that support people with disability as well as inclusive employers who are actively looking to employ people with disability.

There will be a dedicated WorkAbility zone for employers to host one-on-one consultations as well as a series of workshops to help both businesses and people with disability on their employment journey.

WorkAbility expos attract a diverse audience, including job seekers with disabilities, their families and carers, service providers, government and advocacy organisations, and leaders in the disability employment space.

WorkAbility Expos will be run in three formats:

By participating in the Expo, you'll be able to:

- > Engage with key stakeholders and build meaningful connections across the disability employment sector
- > Engage with a diverse pool of people with disabilities who want to work
- > Highlight your commitment to inclusivity and diversity in the workplace
- > Showcase your commitment to supporting the employment of individuals with disabilities
- > Provide information about your organisation and the roles available
- > Conduct on-the-spot interviews and gather resumes from interested candidates

Welcome to WorkAbility Expos

WorkAbility Expos will be run in three formats:

- > Integrated with our My Future, My Choice Disability Expos
- > Stand-alone WorkAbility Expos
- > A Virtual WorkAbility Expo

The My Future, My Choice Disability and WorkAbility Expos at Brisbane, Melbourne, Geelong, Gold Coast and Hunter are integrated **two day events**.

These expo feature three distinct zones:

- > Exhibition Space for **all exhibitors**, including businesses who offer employment related services
- > Workshop Rooms
- > A Consultation Zone

The Consultation Zone consists of small (2mx2m) spaces designed for employers to meet one-on-one with people with disability. The consultation spaces will have lounge seating and a small coffee table only (*they are not exhibition booths*).

The Consultation Zone is only open on the Friday of each event and is separate from the general exhibition floor. Access to the Consultation Zone is subject to eligibility criteria as outlined below.

Priority access to the WorkAbility Consultation Zone within the integrated My Future, My Choice Disability and WorkAbility Expos is given to open/mainstream businesses who directly employ people with disability (*and do not supply additional employment related services*).

All other business and organisations (*including those that provide employment related services*) will be booked into the integrated exhibition floor and will be offered free bonus space within the Consultation Zone provided they directly employ people with disability or can facilitate employment between people with disability and open/mainstream or disability specific employers.
